1 Summary

The first two days of the week, I was still busy with THE week. On Wednesday, I was looking for my Mac. The rest days I was working on the TopK paper.

2 Projects

2.1 The TopK Project

First I revised the paper according to the review comments. Then I sent the manuscript to Dr. Ebert and Dr. Chen for proofreading. Dr. Chen replied me the second day. And I modified the manuscript according to his comments and sent it back.

3 Paper Reading and Miscellaneous

I reviewed the PVis paper.
